## Crofton Town Club Newsletter – October/November 2011

### *President's Message:*

At this time I would like to personally welcome our new members to the club, and sincerely hope that you enjoy your experience at our events and club meetings. The Town Club is a great, affordable way to get to know new friends in Crofton and we always welcome your input and suggestions. Our members make the club work, and the club in turn helps new residents put down roots and established residents get to know more people and try new experiences. If you know of anyone who would like to join us please have them check us out on our website- [croftontownclub.com](http://croftontownclub.com).

In October we have scheduled our most popular ladies' event, Psychic Night, for Friday, October 21<sup>st</sup> at the home of Ashley Fuchs from 8-11pm. This is our third time holding this special event and it is for paid members only. Dr. Gwen, our psychic, will only do readings for the first 12 ladies who sign up. The CTC will provide refreshments and pay for most of the cost of the reading- members will need to pay a fee of \$10 before the 21<sup>st</sup> in order to register. This is always a blast – so don't put it off! To register,

rsvp to [president@croftontownclub.com](mailto:president@croftontownclub.com). Once we get your fee, you'll be on our list.

We also have some great books to discuss in October and November, and the Moms & Tots club has some fun events planned for the younger set. Hope to see all of you at our events this year!
